## **Return Of The Native**

Thomas Hardy

### Return Of The Native Thomas Hardy

Thomas Hardy, OM (2 June 1840 – 11 January 1928) was an English novelist and poet. A Victorian realist in the tradition of George Eliot, he was influenced both in his novels and in his poetry by Romanticism, especially William Wordsworth. Charles Dickens was another important influence. Like Dickens, he was highly critical of much in Victorian society, though Hardy focused more on a declining rural society. The Return of the Native(1878) is Thomas Hardy's sixth published novel. One of Thomas Hardy's most powerful works. The heath's changing face mirrors the fortunes of the farmers, inn-keepers, sons, mothers, and lovers who populate the novel. The "native" is Clym Yeobright, who comes home from a cosmopolitan life in Paris. He; his cousin Thomasin; her fiancé, Damon Wildeve; and the willful Eustacia Vye are the protagonists in a tale of doomed love, passion, alienation, and melancholy as Hardy brilliantly explores that theme so familiar throughout his fiction: the diabolical role of chance in determining the course of a life.
